"Come to Me"

Come all you thirsty
I'll give you water to drink
Come all you weary
I'll give you peace enough to sleep

Come all you people
You oppressed and hard
You lost your dignity
And your value in this world

Listen you
Who have ears to hear
Who have feet to walk
Who have eyes to see
Come believe me

Come all you small ones
You shall inherit the throne
No more hiding
Or being looked down on

Come all you liars
And I will give you the truth
No more death sentence
For I have risen for you

So listen you
Who have ears to hear
Who have feet to walk
Who have eyes to see

Listen you
Who I look down upon
Who cried out last night
To survive this one

Come to me
Come to me
Come to me
Come to me
Come to me

Come to me

I will carry

I will carry

I will carry

I will carry

I will carry you
