(Verse)

You say that You love me
You say that You're here with me
These words just ain't lifting my heart

(Verse)

I'm still drowning in sorrow
With words to hold on too
I need more than a promise now

(Chorus)

I need Your voice
I need Your touch
Walking by faith just ain't enough
I need You here
I need You now
This is my heart , crying out

(Verse)

If You're really with me
Then why am I hurting
Tell me what I'm doing wrong

(Verse)

Lord You know I've been trying
And You know I'd be lying
If I said that I could carry on

(Chorus)

I need Your voice
I need Your touch
Walking by faith just ain't enough
I need You here
I need You now
This is my heart , crying out

(Bridge)

I'm in Your hands
I'm in Your hands
I'm in Your hands
Oh tell me again

I'm in Your hands
I'm in Your hands
I'm in Your hands
Tell me again

(Outro)
You say that You love me
You say You're here with me
I need You to lift my heart
