This is where my ego ends
This is where freedom begins
Here's where I jump
In Your arms, oh

I'm done with livin' alone
I'm done with missin' the boat
I've had enough
Where I end's where You start

Why is it so hard to learn to let go?
I surrender my life, all I have is Yours

I'll go wherever You go
Give You my heart and my soul
Nothing can take me away
Now and forever I'm Yours

My life was nothin' before
Your love has taken me home
I know I'll never look back
Now and forever I'm Yours
Oh yeah, oh, oh yeah

Oh, no one knows me like You
Yeah, no one cares like You do
There's no one else
Who loves me like You do, oh

So why should I be afraid
To give my whole life away?
Not going back
Not going back to okay

Why is it so hard to learn to let go?
I surrender my life, all I have is Yours

I'll go wherever You go
Give You my heart and my soul
Nothing can take me away
Now and forever I'm Yours

My life was nothin' before
Your love has taken me home
I know I'll never look back
Now and forever I'm Yours

And when the world is in my hands
And I go on my own again
I know you're still with me
When I feel Your love is gone
No strength to carry on
Well, I know You'll never leave me

I'll go wherever You go
Give You my heart and my soul
Nothing can take me away
Now and forever I'm Yours

My life was nothin' before
Your love has taken me home
I know I'll never ever look back
Now and forever I'm Yours
