I've got no song to sing but the one You've given me
Your words lead me to peace, they echo through my
soul
If I listen I hear You singing, "You're not alone, you're
not alone
I'm here, I'll never let you go"

In my heart I hear You sing
A sweet melody, Your promise to me
Near or far I'm where You are
I know You'll never let me go, never let me go

Oh, if they only knew who I really am
They wouldn't take the truth, they'd never understand
Sometimes people are there for you until you fall and
they're gone
But You're still with me through it all

In my heart I hear You sing
A sweet melody, Your promise to me
Near or far I'm where You are
I know You'll never let me go, never let me go

Your song, it is singing, oh, I hear it ringing
Oh, Lord, I hear You say, it will be okay
I love You, I need You, I long to be with You
Oh, come, take me away, take me away

In my heart I hear You sing
A sweet melody, Your promise to me
Near or far I'm where You are
I know You'll never let my heart go
And I will sing Your praise forevermore

In my heart I hear You sing
A sweet melody, Your promise to me
