(Verse)

She's a normal girl  
Who changed somebody's world  
She's shows everyone  
Just a little love  
And that's how I want to be

(Chorus)

Gonna solve alot to dream  
'Cause there's something begging little things  
I was blind, now I see  
I'm learning to dream  
I'm learning to dream

(Verse)

I see my little boy  
Got an unstoppable joy  
He sees everything  
Like it supposed to be  
Watching him is changing me

(Chorus)

Gonna solve alot to dream  
'Cause there's something begging little things  
I was blind, now I see  
I'm learning to dream  
I'm learning to dream

I'm learning to dream  
Learn to dream

(Verse)

I wanna live my dream  
The world's gonna see love shine through me

(Chorus) x2

Gonna solve alot to dream  
'Cause there's something begging little things  
I was blind, now I see  
I'm learning to dream  
I'm learning to dream

I'm learning to dream  
I'm learning to dream
