(Verse)

I've come to Your throne here  
Cold and alone  
I'm calling on Your name  
I lift my hands to the sky open wide  
And I cry, Lord take me away

(Verse)

Take this heavy heart  
This weary soul ,set them free  
Remove myself till there's nothing left  
But You alone in me

(Chorus)

I'm letting go  
Of all that I know  
I'm holding on to You alone  
I lay it all down  
Here at Your feet  
I want You alone, You alone

(Verse)

If I call to the heavens above  
I know Lord You are there  
And if I make my bed in the depths  
I know Lord You are there

(Verse)

And if I rise on wings on a dawn  
I sit along far side of the sea  
Even still Lord I know you hear  
You'll always be there with me

(Chorus)

I'm letting go  
Of all that I know  
I'm holding on to You alone  
I lay it all down  
Here at Your feet  
I want You alone, You alone

I want You alone

(Chorus) x2

I'm letting go

Of all that I know

I'm holding on to You alone

I lay it all down

Here at Your feet

I want You alone, You alone
