(Mike Oldfield)

The last that ever she saw him, carried away by a  
moonlight shadow  
He passed on, worried and warning  
Carried away by a moonlight shadow.  
Lost in a river last Saturday night, far away on the other  
side.  
He was caught in the middle of a desperate fight  
And she couldn't find how to push through.  
The trees that whisper in the evening  
Carried away by a moonlight shadow  
Sing a song of sorrow and grieving  
Carried away by a moonlight shadow.  
All she saw was a silhouette of a gun, far away on the  
other side.  
He was shot six times by a man on the run  
And she couldn't find how to push through.

I stay, I pray, see you in heaven far away.  
I stay, I pray, see you in heaven one day.

Four a.m. in the morning, carried away by a moonlight  
shadow  
I watched your vision forming, carried away by a  
moonlight shadow.  
Star was light in a silvery night, far away on the other  
side  
Will you come to talk to me this night ?  
But she couldn't find how to push through.

I stay, I pray, see you in heaven far away.  
I stay, I pray, see you in heaven one day.

(Guitare solo)

Caught in the middle of a hundred and five  
The night was heavy but the air was alive  
But she couldn't find how to push through.  
The trees that whisper in the evening  
Carried away by a moonlight shadow

Sing a song of sorrow and grieving  
Carried away by a moonlight shadow.  
All she saw was a silhouette of a gun, far away on the  
other side.  
He was shot six times by a man on the run  
And she couldn't find how to push through.
