Lili, take another walk out of your fake world.  
Please put all the drugs out of your hand.  
You'll see that you can breath without not back up  
Some much stuff you got to understand.

For every step in any walk  
Any town of any thought, I'll be your guide.  
For every street of any scene  
Any place you've never been, I'll be your guide.

Lili, you know there's still a place for people like us.  
The same blood runs in every hand.  
You see, it's not the wings that makes the angel.  
Just have to move the bats out of your head.

For every step in any walk  
Any town of any thought, I'll be your guide.  
For every street of any scene  
Any place you've never been, I'll be your guide.

Lili, easy as a kiss, we'll find an answer.  
Put all your fears back in the shade.  
Don't become a ghost without no colour  
'Cause you're the best paint life ever made.

For every step in any walk  
Any town of any thought, I'll be your guide.  
For every street of any scene  
Any place you've never been, I'll be your guide.

For every step in any walk  
Any town of any thought, I'll be your guide.  
For every street of any scene  
Any place you've never been, I'll be your guide
