### "Standing"

Is there darkness in the world you see?  
Are you searchin' for the truth to set you free?  
Rejoice! Lift up your head and shine your light.  
The light of His love overcomes the night.  
Sing to the Lord! Praise to the King!  
Free you will be when you stand and sing!  
Standing! Oh! We are standing! In His light.  
Standing! Oh! We are standing! In His light.  
Do you run into walls too hard to climb?  
Are you weary of life losin' track of time?  
Rejoice! Lift up your head and shine your light.  
The light of His love overcomes the night.  
Lift up His name. Power and Praise!  
Shout to the Lord in the coming day
