When I look into your eyes  
It's hard to realize  
The way we used to be  
Why did you set me free  
I gave you all my love  
With the hope that we would be  
A passion that would last  
Through all eternity

Within my heart  
I don't know what to do  
Within my heart  
'Cause I'm still in love with you  
Within my heart  
Why did it have to be this way  
'Cause within my heart  
I always wanted you to stay

You are always on my mind  
And I hope to someday find  
A love that we once shared  
Can't you see I really care  
You know I need you now  
And I have to find out how  
We would ever be  
Baby you and me

Within my heart  
I don't know what to do  
Within my heart  
'Cause I'm still in love with you  
Within my heart  
Why did it have to be this way  
'Cause within my heart  
I always wanted you to stay

Within my heart  
I don't know what to do  
Within my heart  
'Cause I'm still in love with you  
Within my heart  
Why did it have to be this way

'Cause within my heart  
I always wanted you to stay

Being with you girl  
Is all that matters  
I once had a dream girl  
And now it's shattered  
'Cause you went your way  
And I went mine  
Girl I will always love you

Within my heart  
I don't know what to do  
Within my heart  
'Cause I'm still in love with you  
Within my heart  
Why did it have to be this way  
'Cause within my heart  
I always wanted you to stay

Within my heart  
I don't know what to do  
Within my heart  
'Cause I'm still in love with you  
Within my heart  
Why did it have to be this way  
'Cause within my heart  
I always wanted you to stay

Within my heart  
I wanted you to stay  
Within my heart  
'Cause within my heart  
I always wanted you to stay

Within my heart  
I don't know what to do  
Within my heart  
'Cause I'm still in love with you  
Within my heart  
Why did it have to be this way  
'Cause within my heart  
I always wanted you to stay
