You broke the news without preamble, it won't be too
long before your gone
so give me time to think it through so this is it you're
moving on
Maybe its the best thing for you maybe its the hardest
way
to stop these things we've set in motion it seems
forever yesterday

This must be love for you to give this up. I know how
hard this must be
for you.
If this is the way, how it's gotta be You will get no
arguments from me

You'll leave the band to be a man so time wont pass
you by
you'll find a wife and start a life I hope things turn out
right?for you

Somewhere in the world there is a better place for you
and her to be
I hope you find what you've been looking for I hope
you're both happy and
content I'll miss you my friend this is your decision in
the end
I envy you you will live a life maybe you can live a life
for me

You'll leave the band to be a man so time wont pass
you by
you'll find a wife and start a life I hope things turn out
right?for you

Now running away don't want the day to come the
years ran by so fast how
could you leave why cant you stay why can a beautiful
thing last?
Standing around hearing no sounds hoping the worst
of it has past why
cant you stay just one more day why can't a beautiful

thing last?

You'll leave the band to be a man so time wont pass
you by
you'll find a wife and start a life I hope things turn out
right?for you
And maybe in a couple of years I will get a call from
you
you will tell me bout your life and how your dreams
have all come true for
you.
