I'm in the same old mess again
Another love has reached the end
You never really gave a damn
I thought you were a better man

Oh no, you got me in a headlock
Checking my alarm clock
Now there's nothing

It don't mean a thing 'cos I don't wanna mess around
with a joker
And I don't really care 'cos this is my life not a game of
poker
And I don't give a damn, my heart made me drunk but
my mind is sober
So can you get the jist, imma make a move 'cos the
game is over

I gave you 20, 000 chances
And put up with your cheating glances
So open up that prison door
'Cos I don't love you anymore

Oh no, you got me in a headlock
Checking my alarm clock
Now there's nothing

It don't mean a thing 'cos I don't wanna mess around
with a joker
And I don't really care 'cos this is my life not a game of
poker
And I don't give a damn, my heart made me drunk but
my mind is sober
So can you get the jist, imma make a move 'cos the
game is over

Oh no, I've started a war
My emotions are just cuttin' me raw
Oh no, you lowered your score
'Cos you messed up good and I cannot ignore
Oh no, tears galore

But I changed my mind 'cos he's broken the law
Oh no, I've seen it before
And your system's 'bout to crash to the floor
Crash to the floor
Crash to the floor
Crash to the floor

It don't mean a thing 'cos I don't wanna mess around
with a joker
And I don't really care 'cos this is my life not a game of
poker
And I don't give a damn, my heart made me drunk but
my mind is sober
So can you get the jist, imma make a move 'cos the
game is over
