Hey Honey, Honey  
I'm not looking for a quick fix  
Hey Baby, Baby  
Don't you know that I'm love sick  
Hey Darlin' Darlin'  
Think it through  
Baby Baby be quick

Need my inhaler cause I think I'm havin' asthma attacks  
Why won't you save me? save me with your kisses like  
that  
Hey darlin' darlin' won't you come take this pain away?

Do you love me? (Do you love me?)  
Do you need me? (Do you need me?)  
You'd better get down on your knees and tell me that  
you want me  
Oh baby, say that you'll stay  
Love me here forever

Hey sweetie sweetie  
Do you think you can control this?  
Hey papa papa  
Thinks you're crazy and I won't admit  
Hey sugar sugar  
I can see that you're a victim in this

Do you love me? (Do you love me?)  
Do you need me? (Do you need me?)  
You'd better get down on your knees and tell me that  
you want me  
Oh baby, say that you'll stay  
Love me here forever

I never knew I could find anybody like you  
The way you walk, way you talk, way you glow in the  
room(?)  
You wear a and messy brown shoes  
You like to make comic books and you love writin' tunes  
You're six foot two and a nerd and I love?  
Oh why the fuss, hurry up and tell me you love me too

Do you love me? (Do you love me?)  
Do you need me? (Do you need me?)  
You'd better get down on your knees and tell me that  
you want me  
Oh baby, say that you'll stay  
Love me here forever
