Sometimes I get my head in a dilly
Feeling so lost ticking you off
Now boy, You know me well
Said, I'm that kinda feeling
That kind of soft
That kind of silly

But when I'm in doubt
I open my mouth
And words come out,
Words come out like

Baby there's a shark in the water
There's something underneath my bed
Oh, please believe I said
Baby there's a shark in the water
I caught them barking at the moon
Better be soon

High in the sky
The song that I'm singing
A sweet little lie
A cry wolf cry
Rather have you lie
So that's why I'm bringing
Some tricks up my sleeve
For noticing me

Oh yeah

I wouldn't cause you any harm
I just want you in my arms
I can't help
I can't help myself

Baby there's a shark in the water
There's something underneath my bed
Oh please believe I said
Baby there's a shark in the water
I caught them barking at the moon
Better be soon

Better be soon

Right is right
Rules are rules
This is more like april fools
I'm just winding you up, oh

Jack be nimble
Jack be quick
Please don't make to much of it
It aint that serious
Oh ohh ohhhh

Baby there's a shark in the water
There's something underneath my bed
Oh, please believe I said
Baby there's a shark in the water
I caught them barking at the moon
You better get here soon
Baby there's a shark in the water (x3)
I caught them barking at the moon
Better be soon
