Buildings come crumbling  
Right to the ground  
And I can't help noticing  
When I'm looking around  
When I'm looking around

Windows can't see in 'em  
Too many lies  
We won't be taking it  
Look 'em right in the eyes  
Look 'em right in the eyes

Oh, if I had my way  
I'd throw everything away  
I'd draw it all up again  
Keep walking with me

Oh, if I had my way  
I'd give everything I have  
To make everything okay

Sing it with me

Darkness falls and kills the light  
Don't surrender, be alright  
Fuse blow up like dynamite  
And the children keep on singing, singing

Darkness falls and kills the light  
Don't surrender, be alright  
Innocence like flying kites  
And the children keep on singing, singing

Walking down Penny Lane  
Pot, pot of gold  
Follow the rainbow  
To the end of the road  
To the end of the road

Still got me nothing  
Nothing but road  
They say 'It's funny'

I'm not getting the joke  
I'm not getting the joke

Oh, if I had my way

I'd throw everything away  
I'd draw it all up again  
Keep walking with me

Oh, if I had my way  
I'd give everything I have  
To make everything okay

Sing it with me

Darkness falls and kills the light  
Don't surrender, be alright  
Fuse blow up like dynamite  
And the children keep on singing, singing

Darkness falls and kills the light  
Don't surrender, be alright  
Innocence like flying kites  
And the children keep on singing, singing

[Chiddy]  
Chid, Miss V.V. Brown  
I'll hold you down

Watching the TV, man, kids just want to be famous  
And be a big star, rather be known than be nameless  
If I had my away, I'd draw it all up again  
Can't take a loss, we must stood up and win  
Momma was hurting and she couldn't spend a penny  
more  
But why nobody have real dreams anymore  
Forget the issues and worries this is something about  
Supporting optimistic dreams when it's crumbling down

Sing it with me

Darkness falls and kills the light  
Don't surrender, be alright  
Fuse blow up like dynamite  
And the children keep on singing, singing

Darkness falls and kills the light  
Don't surrender, be alright  
Innocence like flying kites  
And the children keep on singing, singing

And the children keep on singing, singing [x2]
