Everybody seems like they're upside down
They keep talking and talking and talking
Living in the streets of a circus town
They keep walking and walking walking
Everybodys locked on their TV screens
They keep watching and watching and watching
Ima remote control, click to channel me

'Cause we'll break it down
Right to the ground
Smash the bubble out
What's it all about?

She wants to be famous
He wants to be famous
What does it mean mean mean?
It's as important as the colour green
And the children say

Ya ya ya ya ya ya
Ya ya ya ya ya ya
Ya ya ya ya ya ya
Ya ya ya ya ya ya

Scattered all across every magazine
How we love it we love we love it
Are these the only books that we want to read
Getting dumber and dumber and dumber
We are trapped inside of a big machine
How it's moving and moving and moving
Don't we wanna stop so that we can breathe

'Cause if it all breaks down
Right to the ground
Smash the bubble out
What's it all about

She wants to be famous
He wants to be famous
What does it mean mean mean?
It's as important as the colour green

And the children say

Ya ya ya ya ya ya
Ya ya ya ya ya ya
Ya ya ya ya ya ya
Ya ya ya ya ya ya

And the people say

Ya ya ya ya ya ya
Ya ya ya ya ya ya
Ya ya ya ya ya ya
Ya ya ya ya ya ya

She wants to be famous
She wants to be famous
She wants to be famous
But what does it mean
It's as important as the colour green
