Unh  
I always liked this song  
Young Maejor  
Chillin' in Jamaica  
Sittin' on paper  
Stuntin' on haters

Shorty you're my angel  
You're my darlin' angel  
Your picture upside down just for me, baby  
Shorty you're my angel  
You're my darlin' angel  
Show me love, hit me up, that's all I need, baby

If you ain't know Michigan's were I grewed up  
My mama always told me that I would blow up  
Now we gettin' in free when we show up  
Every time we roll up, everybody know us  
Life is one big party cause we so young  
I get money, take trips, and it's so fun  
Now I need me a girl for the long run  
Yeah, I really want one  
Don't wanna choose the wrong one

Shorty you're my angel  
You're my darlin' angel  
Your picture upside down just for me, baby  
Shorty you're my angel  
You're my darlin' angel  
Show me love, hit me up, that's all I need, baby

Every time I look up I'm in a new state  
And big rims on my truck feels so great  
Some people come and say "What's up" but they so  
fake  
Soon as I dip I already know they gon' hate  
But it's really all good cause they girl don't  
My songs make her feel good when the world don't  
I won't stop until I'm poppin' on a world tour  
And every girl gotta upside down photo

Shorty you're my angel  
You're my darlin' angel  
Your picture upside down just for me, baby  
Shorty you're my angel  
You're my darlin' angel  
Show me love, hit me up, that's all I need, baby

Yo what up, guess I'm blowin' up, what can I say  
It's the same Bei Maejor from back in the day  
Only difference is my cars' in immaculate shape  
And I gotta tell my rim quit actin' my age  
When it comes to doing this I'm the jack of the trade  
Makes beats, write songs, get stacks for a phrase  
Got a pretty young thing way back in L.A.  
Can't wait to touch down, lay back, and get laid  
I'm representin' D-Town where the niggas don't play  
Got love in the west, gotta crib in the A  
Can't forget the east coast and they fast paced ways  
All my people overseas or where ever you stay  
Angel, you should get to know me  
She like "How?"  
Real simple baby girl listen take this down  
3 1 3 2 4 2 triple 7 5  
Wanna be my angel, hit me up right now  
Unh, Maejor

Shorty you're my angel  
You're my darlin' angel  
Your picture upside down just for me, baby  
Shorty you're my angel  
You're my darlin' angel  
Show me love, hit me up, that's all I need, baby
