Help me escape this feelin' of insecurity
I need you so much but I don't think you really need me
But if we all stand up in the name of love
And state the case of what we're dreamin' of
I've got to say I only dream of you
But like a thief in the night
You took away the love that I knew

Relight my fire (Well)
Your love is my only desire
Relight my fire
Cos I need your love (I need your love)

Relight my fire
Your love is my only desire
Relight my fire
Cos I need... your love

Turn back the times 'til the days when our love was new
Do you remember?
No matter what was happenin' I was there with you
But if we all stand up for what we believe
And maybe live within our possibilities
The world would be wild for the dream
So baby don't turn away
Listen to what I gotta say

Relight my fire
Your love is my only desire
Relight my fire
Cos I need... your love (I need your love)

(Relight my fire) Relight my fire come on yeah??
(Your love is my only desire) Oh?? my desire yeah
(Relight my fire)
Cos I need Oh I need... your love

(Loleatta Holloway)
Strong enough to walk on through the night (yeah)
There's a new day on the other side (yeah)
You got to have hope in your soul (yeah)

Just keep on walkin' yeah, just keep on walkin' yeah
Just keep on Ah? Ah? Ah?

Strong enough to walk on through the night (through
the night)
There's a new day on the other side (the other side, the
other side)
'Cos I've got hope (hope) in my soul (in your soul soul)
So I keep walkin' yeah, keep walkin' yeah

Relight my fire (relight, relight fire)
Your love is my only desire
Relight my fire
Cos I need (I need) your love

Relight my fire
Your love is my only desire
Relight my fire
Cos I need, need, need your love
