[Intro:]

Yo snypa  
Mi wah yuh question dem enuh  
Oh...

[Chorus:]

Babylon wah mek you put so much burden pon we (pon we)  
Society forsake we  
Tell mi weh the system a go do fi my pickney  
Nuff ghetto youths n'have nuh have nuh weh fi sleep  
N'have nuh have no clothes fi wear  
N'have nuh have no food fi eat oh my Jah  
So dem a hustle in the streets  
Night pon top a night days pon top a days weeks pon  
top a weeks uhmm

[Verse 1:]

Ghetto youths mi nah stop  
No sah mi nah give up di fight  
Di system design, fi none a we survive  
Di politics corrupt di youth a it a start di strike  
A it a mek wi wah fi tek wi one another life  
Inna di heart of di garrison we come from  
Dem seh di whole a wi a criminal and gunman  
Di youth fi pay di school fee weh di fuss dollar haffi  
come from  
Jah know seh we need a solution  
Ask dem Miller 9

[Chorus:]

Babylon wah mek you put so much burden pon we (pon we)  
Society forsake we  
Tell mi weh the system a go do fi my pickney  
  
Nuff ghetto youths n'have nuh have nuh weh fi sleep  
N'have nuh have no clothes fi wear  
N'have nuh have no food fi eat oh my Jah  
So dem a hustle in the streets  
Night pon top a night days pon top a days weeks pon

top a weeks uhmm

[Verse 2:]

Tell mi weh you a go do fi black woman  
No daddy she nuh know she and har madda one  
Brite girl inna class she a number one  
CXC a come around no money fi exam  
Society know fi di garrison no love nuh show  
But from di best come to worst history tell you so  
Teacha mek it be known  
Di stone weh di builder refuse  
Always become di head corner stone  
So ask dem

[Chorus:]

Babylon wah mek you put so much burden pon we (pon  
we)  
Society forsake we  
Tell mi weh the system a go do fi my pickney  
Nuff ghetto youths n'have nuh have nuh weh fi sleep  
N'have nuh have no clothes fi wear  
N'have nuh have no food fi eat oh my Jah  
So dem a hustle in the streets  
Night pon top a night days pon top a days weeks pon  
top a weeks uhmm
