Pops call me...
Moms call me baby b,
Girl call me baby, my fans call me usd.
Tom call me young, but my bank say I'm gone
Street call me gone, but my mind say I'm on!
Little sister call me branny,
Same for my granny,
Special shot to all to all the women in my family.
Haters call me weak, but a genius call me babbling,
Rappers call me... no one has me chocolate!
Neighbors call the cops on me, when I turn the music
on
Ex-girlfriend call me "say sorry for screwing ya!"
Rap here call me pop, top forty call me...
All the women call me cute, oh hairs call me...
These will call me amazing, rocco call me...
And the homies call me from the crib to say what a

And labels call me next,... call success,
And my preacher call me blessed!

Chorus:
Your girlfriend, your girlfriend,
They call me, they call me
They call me money, money, major, I'm doing my thing
They call me, they call me
They call me black, wild, crazy,
Yes, that's true!
They call me, they call me
They call me money, money, major, how about you?
And it feels so good,
Let's get it!

You don't know, what you have,
You gonna find, I've been so bad!
You don't know, what you have,

Friends call me humble, enemies I don't know

Got no clue what they were saying
Cause them boys be thanking ya all

And jealous people call me fake, they say I do...
But that's cool, cause promoters call me main
attraction,
My cousin... say you're sleeping, you're losing
attraction.
Call me what you want, never late for dinner,
Call me joy and call me... tiger, I'm a winner!
If I'm racing, call me jeff, my uncles call me neph,
... heard the preacher say I'm blessed, yeah!

Chorus:

Your girlfriend, your girlfriend,
They call me, they call me
They call me money, money, major, I'm doing my thing
They call me, they call me
They call me black, wild, crazy,
Yes, that's true!
They call me, they call me
They call me money, money, major, how about you?
And it feels so good,
Let's get it!

You don't know, what you have,
You gonna find, I've been so bad!
You don't know, what you have,
You gonna find, I've been so bad!
