You would  
Riddle me this,  
But i don't think that you're listening  
Played out on REASON your treason's  
Only deafaning  
And then you see the truth behind this  
Shit that I'm pulling..  
It looks like i wont make it cos i'm already succeeding.

And even if i died tonight i probably  
Wouldn't do it right  
All my friends that don't exist  
Tell me my shit is tight  
Once you pop you just can't  
Just can't  
Just can't  
STOP

Now I'm applying myself,  
Droppin all my lyrics like a....  
Just like an adhesive I STICK to my thesis  
This will not end good  
And I won't ever be shit

Trying to sound  
Listenable  
Rock me like  
A fucking cradle

And even if i died tonight i probably  
Wouldn't do it right  
All my friends that don't exist  
Tell me my shit is tight  
Once you pop you just can't  
Just can't  
Just can't  
STOP

This wound in my head probably caused by some gun  
So there's nothing there yet, but i'd like to have one  
Brothaz be left side  
Check out my right side

Rock out with cock out  
And fuck up my whole mind!

Trying to sound  
Listenable  
Rock me like  
A fucking cradle

And even if i died tonight i probably  
Wouldn't do it right  
All my friends that don't exist  
Tell me my shit is tight
