Say, you never change a voice call so I'm not fucking
gonna say a fucking anything and
I'm just gonna talk about how, uh, I'm gonna see you
only Sir,
I'm gonna jizz in your eye and then make you lick it out
of your own eye,
which I might have to remove your tongue to do, and
then I'm just gonna make you
lick it out of your eye, then put it in your own asshole,
again, with your seperate tongue,
uh, and then I'm going to uh, get a red hot poker, which
will probably just be a uh,
uh, uh a coped hanger, that I, hh, did heat it up on a
fucking stone,
and then I'm gonna stick THAT in your asshole, and
make the cum,
that you licked out of your own eye, uah, with your
removed tongue, and then put into your asshole,
would make that cum just start fucking boiling. And I'm
overdo it it's uh baperate into your asshole.
Uh, Jimmy, gimme a call (thanks).
