Rocking me screwing me you brought the pain  
Was there any way to bring back the person to blame.  
Because bringing that noize and the volume was  
pretty,  
Fun for me, and fun for you,  
But it's all the same.

POW! Take it or leave it if there's  
SOMETHING WRONG WITH THE MANUAL  
Your warranty will cover the damage  
SMASH THIS MIC INTO THE WALL  
Please correct me if i'm wrong to  
STOP THIS NOISE FROM GETTING LOUDER  
I'd hate to keep this sound so stale, but if it's cold i'll  
make it hotter.

Attack when you hit the sound and just put that in the  
underground but you're never gunna see me come  
around and take back,  
Then stop when i hit you witha.  
I'm goin where you're not allowed,  
Like GREAT WHITE I ignite the crowd (get it? clever  
huh!)  
Self centered so I'm never coming down.

YOU can't CHANGE YOU can't CHANGE  
CHA CHANGE THE STATION
