I've got, same feel
Kimi to ite mo ano ko to ite mo
I feel so real zurui kai?

She's younger amaena yo
She's mature amae sasete

Come on, Love hikaku nante fukanou sa
Inryoku no iro ga chigau kara
Ai nante fudouri sa
Come on, Love aisurutte koto wo
Sousa suru kusuri nante nai
No, no, no, no, no, answer
So it's a sin... ? Maybe so...

One time, your heart
Sunete mo furikiru you ni
I'll fly, see you mukau Maria no ude

She's younger tel suru kara...
She's mature ai ni yuku yo
Come on, Love hitori mitaseba
Hitori mitasezu ni
Ushiro kami hikarete...
Come on, Love migatte wa hyaku mo shouchi
Nasakenai you na aosa ga mune tatakuru keredo
Kasoku suru honnou

It's good to me
It's all I need
Ureshi setsunashi biyaku ga
Umare afurete In the night

Come on, Love hikaku nante fukanou sa
Inryoku no iro ga chigau kara
Ai nante fudouri sa
Come on, Love aisurutte koto wo
Sousa suru kusuri nante nai
No, no, no, no, no, answer
So it's a sin... ? Maybe so...
