Come on.. move your body girl
I wanna see you shake it, like that...

I walk in the party
Jidai no makuaketo tomo ni
Otozureta sparked
Konyoi koso u only get one shot
Kousa suru body
Futo mitsumeatta face to face
Away from everybody
Kossori mimi moto de whisper love

I say baby here's my cue
I just had to talk to u
I can tell u want me too
Tada kimi wo shiritai

Girl it's going down tonight
Hikareau mama ni ochiteyuku
I want ya, I want ya girl
I've been checkin' u all night
Odori akasou ima dake wa
I want ya, I want ya girl

Jouhin na planning
Kowashite midarete mireba
Kake hikimo nothing
Subete misukasu I watch u lick your lips
U know I'm about to kiss u
Kotoba nande iranai
Futari kiri show time
Kanade you just like 1, 2, 3...

I say baby here's my cue
I just had to talk to u
I can tell u want me too
Asaranaide get with u

Girl it's going down tonight
Oboresasete sono mune de
I want ya, I want ya girl

I've been checkin' u all night
me ga kuramu kuranai ni kugidzukesa
I want ya, I want ya girl

Yeah... oh girl
I think it's time we get together
Now everybody dance

"Come on... come on"
Gonna make u mine oh

Girl it's going down tonight
hikareau mama ni ochiteyuku
I want ya, I want ya girl
I've been checkin' u all night
Odori akasou ima dake wa
I want ya, I want ya girl

Girl it's going down tonight
oboresasete sono mune de
I want ya, I want ya girl
I've been checkin' u all night
Me ga kuramu kuranai ni kugidzukesa
I want ya, I want ya girl
