

W.A.L.E. "Ambitionz"

Visit "[Ambitionz](#)" on MotoLyrics.com

sick and tired of being under rated
so i give my love to my lady and pray for all these
babies
new york city to â€¦ she hardly â€¦
my money â€¦ with all my statements
would you rather sell a millie or be known as the
greatest
be front â€¦ or busting tables for paper
hah, while they â€¦ in case you didn't knew
â€¦ be high like out of â€¦ school
this shit get critical, always gotta get â€¦
see i tried to spread the â€¦ welcome to my gun and run
misunderstood respect is â€¦ give it all my effort
â€¦ on my â€¦ necklace, â€¦ changes what they
expected
i just â€¦ shawty wait till november
be that day to remember,
trying to chance their perception, but they â€¦
waking up late with â€¦
ambitionz for life, dreaming bigger than life
see niggers loose it all and follow that liquor advice
dippers and â€¦ but this is life
frequently taking lives cause they not taking advice
and i'm a spray rider, never fuck with bitches in â€¦
i am not in competition with these liars,
i'm tired of them ..
if y'allâ€¦ even lying in smoke
and lying and spoken â€¦
run till she open
i'll catch my breath a little
money aren't where i'm from
but respect is more real, and ambition the key
â€¦ i'm on my grizzly â€¦ smoking haze for days
cooking out loud pack, yeah i can make the soufflÃ©
y'all ain't ready to play this big time â€¦
got a chick â€¦ puffing out â€¦
never need breaks, no days off my slogan ho
rolling with my entourage I bet I get your Sloan to go
when i saw that 28 to put me in and out of state
the mind â€¦ i get my love to these dames
but i will never give a fuck

give it up, who i got, hope is me, hope it be
they be mad, they not real, they want fight
â€¦ look how â€¦ see, so my mama in 03 i ain't going
back to school
make some move, ambitionz i'm on a level
niggers is working forever my â€¦ niggers talk..
i ain't no drug dealer, this ain't no trap lyrics
i'm just a young nigger caught up in this rap bizness
i ain't no drug dealer, i ain't no trap nigger
i'm just a young nigger â€¦ ambitionzâ€¦
