[Intro: Wale]

Heard about you  
You heard about me?  
Get it, what  
Cause I had some issues  
What, back at ya, bad girl

[Hook: Rihanna]

Is it bad that I never made love, no I never did it  
But I sure know how to f\*ck  
I'll be your bad girl, I'll prove it to you  
I can't promise that I'll be good to you  
Cause I had some issues, I won't commit  
No, not having it  
But at least I can admit that I'll be bad noooooo to you  
(to you)  
Yeah, I'll be good in bed, but I'll be bad to you  
Bad that I never made love, no I never did it  
But I sure know how to f\*ck

[Verse 1: Wale & Rihanna]

Hold up  
Bad girls ain't no good, and the good girls ain't no fun  
Look (And the bad girls want a real nigga)  
Yeah, cause real niggas just want  
So it seems that we caught up in the wrong thing  
Got a thing for a queen who don't wanna leave  
You got a (Thing for a king, but you ain't a king)  
Seems like the ones who wrong never got a ring  
And I can see that you're (venom to you)  
In the literal sense, I mean the physical sense  
I mean the, oops, wait, let me give me a second  
I need a minute to vent, I'm only telling you that  
I heard you (Bad girl)  
And I'm tellin' you I could believe that  
Not the type of fella to yell or be gettin' jealous  
But we talkin' 'bout game, Wale got the league pass  
We at that bed, floor, couch, hold up  
(Loud pack boy, roll up)  
You know what's up? (Wassup?)  
Forget it, cause you know the bad girls always

[Verse 2: Wale & Rihanna]

She hurt feelings, she ain't wrong  
She work hard, she play harder  
Got a smart mouth, like a [?]  
She don't catch feelings she too busy catching G5  
She no saint, 'cept samurai  
Gon blaze up, take the wheel Jah  
And Rihanna got these women in their River Island's  
I'm just tryin' to take a dip ya  
Never did terrible bullshit ya  
Enough with concerns, she try and live it up  
No more sucker for love, she probably duck it because  
You try to follow your gut feeling you get lost  
(Cause I've had some issues) Yeah and I noticed it  
You got the coldest corazon, but warmer skin  
You froze with it, you try and play Sub Zero I be  
Scorpion  
Get over here today  
Smellin' like Jean Paul, got the ye  
Got about three friends, she don't even tweet them  
Ain't no IG, but she follow K  
Got that bed, floor, couch, hold up  
(Loud pack boy, roll up)  
You know what's up? (Wassup?)  
Forget it, cause you know the bad girls always  
unapologetic
