[Intro]

Ladies and gentlemen Iâ€™m so fortunate that you could  
be back with me  
And Iâ€™m so fortunate to be back with yâ€™all  
Iâ€™m bout to do it again  
Iâ€™m bout to do it  
I mean fuck these bitch ass niggas for real  
Raph Folarin young Olu

[Break]

I holla at my OG ask me what Iâ€™m gon do  
Got me on my grown man standing on my own two  
Yeah the streets is talking and they asking what you  
gon do  
Folarin yeah it's on you Folarin yeah it's on you

[Verse]

God bless that man with ambition  
For that man had a vision  
No forty acres and no mule  
But I know my mula extensive  
And no I donâ€™t for treasure friendships  
Solo dolo gotta respect it  
Check this you could be check to check  
Not quite check up on my check list  
My gosh my grail, I pray hard work someday prevail  
See lifes a beach when you on that water and play with  
shells  
And Iâ€™m sand out what yo staring for  
And know dirt balls couldnâ€™t draw you on for a pair of  
jords  
Misunderstood nigga know to know me know to love  
me  
And I know this fame shit is scary so Iâ€™m rarely sober  
in public  
Usually Iâ€™m black hooded and I'm on the strap but  
they know my man isnâ€™t  
Currentfly 3 k in these pants to get your clans men it  
We all racist in moderation  
Davidson bought the slave ship Paterson ran for acres  
fuck it we made it

And I cannot save em and know ma be saing go find  
you a lady  
Then I ponder briefly then I spend 10 k on random strip  
club  
Shake up break back see Wale back  
And they keep talking that beef shit but these niggas  
keep talking that shake shack  
Yâ'all small fry to me by these Oragan 3 and get these  
ko j.ps  
Better drop that origami  
God bless that man with ambition  
For that man had a mission  
But I still envy your normalcy  
It's annoying them cameras will flicker  
Somehow hatters done tripled  
I'm sure they hated a nigga before  
I said that well I say lets make it official  
Say my name ho say my name ho  
Say my maffuckin name ho  
Cuz I'm reason all these pretty creatures tamed for  
Times even though 5 even if I tried negro  
My white teacher thought I would fry moving Dwight  
freethrow  
Bricks I done some how climbed up out of it  
No lucative I admit  
But the booth was just my addiction  
They knew me as Michael Vick  
On the sac everytime I pitch  
100 racks for the night might fit  
This Hermes shit is light shit  
I like to like a chick and I never love no ho  
And the hottest bitches I be flipping yes I summersault  
This summer fall this winters mine you niggas is dinner  
time  
Iâ'm thinking more thinker hat thinking more like finish  
line  
Thatâ's right for life I keep my bitch fly  
New formula these blue checks and you niggas  
anywhere near getting verified  
Hating on Ralph man I revise  
Revolution not televised  
I be on my cool shit what they gon do with  
When the jails and the schools roads in style

[Outro]

Right so what's up my nigga  
I heard that you was looking for me  
Sup my nigga ey you know I keep a little something with  
me  
I donâ't know yall niggas but make you fan of me  
So it's fuck yâ'all niggas when you see a nigga donâ't

even speak  
God bless that man with ambition
