[Verse]

Bring your best unit
You say you risin' , then I released and left you there
Primetime Deon, hot style be gone
Death to the A&R that let you niggas be on
Beat 'em 'til they scatterin'
Make 'em on sabbatical
Steinbrenner bread, you can CC Sabathia
Weed keep me happy but them freaks keep me happier
That's why I be with hoes between the scrotum like an
Atticus
The flashiest African, DC on the map again
Pride of Columbia, and I ain't talkin' shoppin' there
Out of this galaxy, stratosphere, when I appear
Then I appear, I treak the beat like Rowdy Roddy
Piper's gear
Killed it - revive it and rebuild it
If all these hoes are sweatin' then we probably in the
building
What's up, shorty? I'm here
I'm happy you was listenin'
And all my hoes the same, every day a sister's sister
A young fly gigolo - tryin' to get that Jigga, though
Shorty got that fire head - Bam Bam Bigelow
Trey better hit a note - hit him with a little flow
Stockin' in Milan, tell them hoes this that pick-and-roll
Livin' so golden - niggas so focused
Lookin' so potent and we ain't even smoke yet
I am the epitome of highly important
Y'all are the epitome of violently throwin'
Oh shit, they bitter 'cause my whole team winnin'
Started flyin' in the fog, bet they won't see the
winner
A gluttonous nigga, bet you won't see your dinner
And your hoe's so easy all the cavemen did her
Nigga...
