[Whispering: Lil Duval]
Fairytale

[Verse 1: Wale]
Is it real girl?
Is it really real girl?
Is it really real girl?
Is it really real?

Something I can feel girl
Worth a couple bills
Or something that you paid for
Is it really real?

Uh, let me go wit it
Let me flow wit it
Yea it look official
But why it don't jiggle?

No I'm not trippin
And yeah I been sippin
Her tax bracket been different since shawty started
strippin

I'm a real nigga
I got a lot of manners
But shawty know I'm a rapper
So that don't even matter

Ass need a saddle
Shots like an addict
Mama made her pretty
Doctor made her fatter

I ain't gone judge
Throwin you a dub
Ass shots is a plus
Attention is a must

Never big enough
A twenty somethin cup
She was the queen of the club

See boy she been in love

[Hook: Wale & Lil Duval]

Yea back it up for a real nigga [Real Nigga]

You could probably fall in love with a real nigga [Real Nigga]

A lot of women think a butt is a meal ticket [Meal Ticket]

But if a nigga catch a nut bet he feel different

Yea Back it up for a real nigga

And you can probably get a cup from a real nigga

And you nervous cause ya ass probably feel different

You fairyaling but I'm liable to still hit it

[Lil Duval]

8shots of cc's will have that ass looking so right [right]

You might live and you might die

But who gives a fuck you here tonight

Ah yea Lord

[Comedy skit: Lil Duval]

And its simple as that baby

We wrote this song

Not to shit on you

But to embrace it

But you must know you have to do it in moderation

Make sure the shit proportional

We don't want you with skinny legs and the big ass ass shots

Then you look like a fucking fool

Some of you bitches look stupid as fuck

Bitches with big asses

Damn near look like a god damn dump truck on the back of your ass

How the fuck you wipe your ass

You can't be wiping your ass

It got to be a lot of shit in your ass

I can barely wipe my ass

Cause I got a lot of hair on my booty but that's beside the point

I'm just saying

Get the ass shots right

8shots of cc's will have that ass looking so right [right]

You might live and you might die

But who gives a fuck you here tonight

And if you light skin you might want to be careful
You bitches get a lot of spots on your ass
I've seen it
Bitches asses looking like dalmatians and shit

I love you though I'll still fuck
