[Hook - Trinidad James]

What's your set bout'

Me and my niggas, we flat out x4

[Verse 1: Wale]

Told you niggas, "Do not fuck with us"

Hope you niggas do not fuck with us

You caught feelings cause I caught her attention,

She caught a flight after I caught a nut (whoa!)

Shoutout to my brothers, doe

Quote me too

You goin' make some haters when you love a ho

Heart is the line, God bless my soul

Profit of my infectious flow

Pardon if my vocab ain't good

But the school I was in ain't have no books

These rap niggas never had me shook

I ain't from a town that is ran by crooks

Get the work from out of town for the money and the
power

Niggas steppin' on the powder like it's athlete foot

Know y'all got, come get at me first

Little nigga better act your worth

Understand niggas got to be heard

Why the fuck niggas got to be heard

[Hook]

[Verse 2 - Trinidad James]

I usually don't do freestyles

My style ain't free, nigga

Fresh from head to toe

I said fly from the feet up

I said, you're looking for a real nigga

Bitch, look up and you'll see us

You lookin' for your bitch, nigga

Don't look up, she with Jesus

I said hallelujah, bitch pop the pussy

So she raise her hands and pop the pussy

I'm with Wale, that's MMG

Now Molly make her go woo

And that money make me show out
My grind wasn't blacked out
Real nigga, don't do handouts
My mama crib my stashhouse
In the Yeezy box, nigga oh Lawd
Nigga Ziploc and my Concordes
Tell the Feds I don't give a fuck
I'm the man now, I'm the man now
And that's DC to the A town
I said DC to the A town
And when I fuck, niggas, that's hands down
But in DC, they say flat out
