(Verse)

Long hair, I don't give a fuck
Last night I prayed that God would make a Bentley
truck
Get the bucks quick as fuck and I got my semi tuck
But if I pull my semi out, af like you'd better duck
Ask me where I'm from, I should tell you no lie
So many niggas with me you would think I work for The
Rider
Okay enough with the lyin, you know I'm tougher than
iron
And everything I do is big, I'm talkin Christopher Wale
So much money on me, there I so no fin in my wallets
And these a rockin republic so it won't fit in my pockets
Swag her on the trinny so you divided by fire
That mean it still on a billion survive like Destiny Child
Turned up, word up, chainz hang to my sternum
Favorite room is the kitchen, I came up with the yolo
You know I live for today and I'mma do what they do
I'm so fresh I spell sob with a F, yah

(Hook)
