(Intro)

Uh

H2O

Like a motherfucker

(Hook)

And your body might work for that

But you ain't a model where your focus at

Know too many broads, going way too hard

So have a glass of water for your thirsty ass

It's like that, your thirsty ass

We know it's a problem when we notice that

You be goin' too hard and never know when to stop

Have a glass of water for your thirsty ass

It's like that, your thirsty ass

We know it's a problem when we notice that

You be goin' too hard and never know when to stop

Have a glass of water for your thirsty ass

It's like that

(Verse 1)

She got Instagram, make it to town prolly been through  
that

So the niggas from outta get the pics from outta

Niggas clickin' they mouths she get a clip in them

It's like that, broad thick as shit

On the real though I'd prolly do some shit to it

But every nigga I follow prolly been through it

For every dirty dog there lies a thirsty bitch

It's like that, and I ain't perfect miss

But to be modest, I am worth a bit

Got a son with no father, ain't got no one to watch her

Only care 'bout the karma sittin' under the pit

It's like that, such a narcissist

They don't acknowledge 'til she blog her tits

Can't get any more out her even that equip

But still make it a problem when I ask to hit

It's like that

(Hook)

Can't work for it  
Cuz you ain't a model where your focus at  
I know too many broads that be going way too hard  
So have a glass of water for your thirsty ass  
It's like that  
We know it's a problem when we notice that  
You be goin' too hard and never know when to stop  
So have a glass of water for your thirsty ass  
It's like that  
So have a glass of water for your thirsty ass  
It's like that  
Glass of water for your thirsty ass  
It's like that

(Verse 2)

He on Instagram, followin' broads that never follow him  
Take a pic of the watch, it might get him some box  
But what she won't find out, it don't belong to him  
It's like that, with all his kicks  
In the club with some bottles and like all his pics  
We applaud it yeah, you a boss for real  
But it's easy to cop livin' in mama's crib  
It's like that, on a thirst for it  
Prolly show you his closet, never show you a crib  
Yeah the thirst is real, get to Twitter and get on every  
girl in it  
It's like that, type of nigga is you  
I'm the type that ain't trippin' cause I be gettin' the loot  
Like I'm already groomed, when I come to the room  
Talkin' yellow and bare, my nigga Winnie the Pooh  
Tryna build me a pool, tryna give me a chick  
Tryna see what to do, tryna kick it a bit  
Tryna take the steps before you gon' think I know your  
man  
Baby have you a sip, it's like that

(Hook)

Can't work for it  
Cuz you ain't a model where your focus at  
I know too many broads that be going way too hard  
So have a glass of water for your thirsty ass  
It's like that  
We know it's a problem when we notice that  
You be goin' too hard and never know when to stop  
So have a glass of water for your thirsty ass  
It's like that  
So have a glass of water for your thirsty ass  
It's like that  
Glass of water for your thirsty ass  
It's like that
