Ambition

[Verse 1]

Two white cups and I got that drank  
Two dyke jaws but tonight they straight  
Redbox flow and I do not date  
Real G shit I don't use no cape  
I got my cake; I love hip hop  
J Cole, Don Trip, Drake, Big Sean  
Nigga wanna act we can get improv  
Bread on me that's a garlic knot  
Tats out and my hair long  
Loud shit, Weird noise  
Like B.o.B., Got airplanes  
Not one J got a pair or more  
Folarin bitch releast nigga in this ho  
Shoutout to them niggas who still f-ck with me at  
Interscope  
My ambition to blow  
This is why I'm in this fo'  
Women at my pole  
This is oh so much like getting votes  
I make her kitten moist  
This is why her nigga mad  
I just give her bigger O's  
He just get her bigger bags  
I'm an asshole, so what my bitches like it?  
I'm why she get excited  
You why she buy the vices  
The tightest writer to write, dopest flower to quote it  
I'm zonin; I'm in Seattle with Little Cheyenne and Tony  
What up? My sister and them, All my niggas listening  
I be one and done'ing hoes like Crawford at Michigan  
Realest nigga told you that, Cloey love me more than  
rap  
Bitch I got that Kobe game, bitch you got that Kobe rap  
DMV we on the map, it's over for these corny niggas  
Wicked ambition go give this shit a coroner visit  
There's no answer for it, these rhetorical lyrics

Talking ridiculous have mommas getting floral  
opinions  
I'm on one, we on weed but she on E  
She so fly, she so fine, but she so shy but I'm a don  
see?  
No car key and I mean that  
Cause I show fur, no bikini wax

My Moschino that fire, bet you never seen that  
Swear this closet full of heat, bitch I never need a  
match  
Undefeated, GS in a t-shirt and my Leaders hat  
Change of scenery, I'm Al Pacino Willy Beaman yeah  
Turned into a shark and I got that from all this DC crap  
Fuck yo bitch to The Weeknd, I ain't speaking bout that  
CD player  
But shout to that OVO, Shout out to the whole T.O  
Shout YMCMB, MMG we run the globe  
This the district where politicians is fucking goons  
And I done seen some old beefs make a bunch of news  
A neutral mover, truly cool with a bunch of crews  
Better keep a shooter, there's always one with  
something to prove  
Nice for that war, trying to see my daughter walk  
Keep wifey in La Perla and don't you ask her what that  
tori cost  
Always keep a dodie on on me, I ain't for that Maury  
talk  
A 40 of that OE, Casey Veggie my homie  
Out in LA Im fakin' hitting switches  
This ain't mine, it's Ricky, but shhh don't tell my bitches  
I swear I love my music, I truthfully hate this business  
I swear it's like this liquor is improving a lot of women  
Intuitively and gifted, Too empty, this is Lipton  
Hallucinating from Ruffin, Who is saying is iller?  
Nigga, I got that Dilla, Premo, Swizzy flow  
Women front, they get its cold  
She never play no games with me so I never get her  
Coach  
I'm supposed to boast, this lyrical overdose  
Niggas George Foreman grillin', shit I spit that rope-a-  
dope  
She be sliding on the pole, slide down and roll my  
smoke  
White boys gon set the mood, yeah, that's word to Hall  
& Oates  
And it's still f-ck everybody  
I run the Summer, don't plan on sharing potties  
Shoutout yo baby momma, that bitch is sorta fine  
That yellow bitch, a lot of face, she that emoticon  
Got a bunch of haters, but I got more to count

Mohammed got a little mac, don't get your shoulder  
popped  
I don't really know a lot, but I hope these people know  
my heart  
My Nomo could be found in stores with a jersey only  
Nomo got  
Konichiwa, shadow chain and decent watch  
If I'm getting geechy I can rock three chains on either  
block  
DC maybe PG MMG shit please do understand it  
The only team more powerful? Sasha and Malia family  
Malia family, We the family  
I give these bitches my seed, swear they don't need a  
nanny  
Won't see me in the Phantom til a nigga see a Grammy
