Ft. Omarion

[Verse 1 - Omarion]

My new lady says she leaving me  
Ah fuck her I don't care  
Plus I got another over there  
She been wantin to be with me  
Got her in her underwear  
Gave her what she want, now she need me..  
I got more of that coming over soon  
Lingerie all up in my room  
I'mma make this toast to that one girl I love  
I still smell her perfume

[Bridge]

Pour one up, no pour another (x3)  
Numbin' up

[Hook]

Since you've been away, love's been MIA  
Done looking for love, cause you took away her  
Now I'm MIA  
Done looking for love, cause you took away her lvoe

[Verse 2 - Omarion]

My new lady says she leaving me  
Ah fuck her I don't care  
Told me that she loved me, yeah  
I just give them the scenery, they won't ever compare  
To the ones that still got it  
I call her up but she won't answer  
And she knows what I'm looking for  
And she knows what I'm looking for

[Bridge + Hook]

[Wale]

Call me a rolling stone, missus  
Still tryna deal with ya  
Loving too much will leave you blue and I ain't pledge  
Sigma

I'm a real nigga  
Giving feelings just ain't me  
The more attention you give em  
The more options they seek  
Talk is cheap, knew I should've kept the receipt  
She said she loyal, but all bitches gonna talk in the  
streets  
That's how I play it, how I play it  
All it is is game  
As I hit another paper plane I'm MIA
