[Intro: Magazeen]

Ehhhhhhh

Maga to the Zeen

Gyal come whine p'won it

Come sit up on it

Gyal me know you's a freak from a long time

She take two men: one time

She no care, take it anywhere, pop off the brassiere

[Hook:]

Tell me say she want it

Now she callin

Now gyal you want me right now

Til ah mornin

She tell me say she need me

Now she callin

Now gyal you want me right now

Til ah mornin, alright girl

[Wale:]

Yeah, red bottoms, she ain't trying to dance

She gonna chauffer, after let's call a cab

Wet willy shit, pussy, I need a minute

I try to have them lips sing Milli Vanilli shit

Okay I'm tryna to hit, something's just gotta give

Can't read the future, my limit is so illiterate

Lyricaly celibate, you can't fuck with me

Y'all crazy to share the same cup with me

Low fitted, sure I'm with it

Polo purple like the dope I'm hitting

Word: one dope a-s nigga

Bitches scream "Ralph" they don't know Mike Bivins

As far as these bars my flow life sentence

And I be in they panties and they be independent

I be in her mind, and y'all be "nevermind"

My marijuana loud [?]

[Hook]

[Bridge x2]

Alright then, back up p'won it

whine for meh gyal

sit up p'won, whine for meh gyal  
Excuse me behavior  
You rise my nature  
Divide your legs  
Let me get in at the centre

[Verse 2: Wale]

Clicquot for the girls in the tight dress  
Dutty wine for access, show me your neck  
I feel good, I look great  
A nigga cold, I'm New York, I'm upstate  
Lord, I think I'm Ted DiBiase  
I had a million dollar dream, who gon' stop me?  
And be a freak, for me, Sleek, and Lil J  
When I say [?], then, they on they way

[Verse 3: Wale]

Dreads like Rapunzel, big bread, cocoa  
Give me the poon, have you shoppin out in Soho  
And bring a friend, we can kick it like a Dojo  
Let's see what happen when you mix 'Tron with Nuvo  
For real, I gotta pole in the basement  
My raincoat and gold rappers, amen  
And what it taste like? Hey you a freak, right?  
No strings attached like velcro sneaks, aight?

[Hook]

[Bridge x2: Magazeen]

Alright then, back up p'won it  
whine for meh gyal  
sit up p'won, whine for meh gyal  
Excuse me behavior  
You rise my nature  
Divide your legs  
Let me get in at the centre

[Outro: Magazeen]
