[Intro:]

My homegirl told me i got an issue  
With women with issues  
I guess i got my own and i can relate to them, you kno  
The irony in it  
When you get what you want, you don't always want it

[Verse 1:]

Temptation, I'm done waitin'  
I'm done thinking, this ain't enough drinking  
I'm in love with a lady who crazy  
Maybe it's cause of the way the she praise me  
I ain't used to it, she got that hot love  
I try to lay low, she like to pop up  
I try to make the most of it, beat the box up  
I make the pussy wet, make the heart bust  
Good pipe make a good girl to a good wife  
Good morning wood, i just need a termite  
Riding thru my hood tryna see where i'm at  
She can't be in my face, then she be on my back  
Like, "Where you at Wale?"  
Or, "Where is that Wale?", "Who you with Wale?"  
When i'm back, "You the shit Wale"  
She crazy, that stalker shit  
Everyone of her homegirls so talkative  
No time for that, no acknowledgement  
Think its time you and i need to call it quits  
Look, need to call it quits  
You be on that stalker shit  
Look i tried to call it quits  
Til' she came trench coat and a thong and shit  
Woah

[Hook:]

I'm like a masochist  
So lead me to the wall  
I'm yours to own, you know  
Don't be a pacifist  
Cause girl it turns me on  
Girl it turns me on

Girl i know you like that, you crazy

But i think i like that, just maybe  
I ain't tryna fight back, but baby  
If i go inside that, you'll hate me

Baby when I like that, I know it's crazy  
Bite me and I bite back, and call it love  
And you know I like that, you say you hate me  
You bite me and I bite back, and call it love

[Verse 2:]

Look  
Temptation starting to sink in  
As i indulge in an instinct i'm fadin'  
I'm in love with a woman who crazy  
Maybe it's because of the way she chase me  
The more liquor around, the more i'm in love  
The less clothes you, the less i want to talk  
Maybe that throat she got have a nigga stuck  
And i be putting it down, so she ain't giving up  
She call a nigga too much cause she don't get enough  
She never ready to go, so she forever come  
I lick her up, she love it  
I know i'm fucking up  
I like it cause she a ten, but she say i'm the one  
Like, "Settle down, Wale."  
Look, "Right now, Wale.", "I'm in love, Wale."  
"Guess i ain't nothing but a quick nut, Wale."  
She crazy but i attract to it  
All the insane bitches so passionate  
What they lack in trust, they make up in lust  
And it don't really make sense until the draws it off  
She is far is all  
I be leading her on  
I be deeping her up, she said the D is a drug  
Shawty fieining for love, I be feeding her lust  
I be needing to leave, but i be needing to nut  
Never need it enough
