I created this image
This thing that you could imagine
You could love it or hate it but he was primetime
All green n*gga pick six
Y'all ain't doing shit
Look, don't get offended
Word go get some rollers
Word go get the bitches
Never been to the moon this reefer will help you visit
Bitches is 40 deep in this muthaf*cka and twisted
They ain't tryna be groupies
They just tryna be with us
You just tryna be haters
We just tryna be winners
I ain't tryna be forward
But is you tryna be dinner
Flick up, put your feet up
Put a Double M G up
Though we always on TV all these n*ggas never see us
Wassup DC, got work in that 305
Beetle the skin on my female that's word to Cee-Lo she
fine
I'm optimistic like playing Keeno with all that you got
I never ever can see no when I be in her slot
I'm tryna beat up every beat until my feet at the top
I ain't fucking with KFC but I may eat up the box
It's alright, if it's right
If it's not tell them bitches take a hike, word life
Take advice keep it clean don't complain
Never give a bitch a ring if she ever been a train
That's real shit real n*gga life
Don't know what y'all tribe called but I be Skip and Phife
Ali Shaheed Muhammad Q-Tip I'm trynna follow
I be so Ivan Drago this beat gone be Apollo
This summer gone be mine though
Impeccable give it my note
Bitches be Columbiano
SpiffTV mi hermanos
If you working as hard as that then you deserve a bottle
I deserve a touch of sky been climbing from the bottom
This Prada make me shallow
These chalance give me balance

These paper from Bodega
This bag is from Seattle
I'm bragging cause I can fathom when I ain't never
have it
Now I got that home base swipe I don't ever jag it
Nice n*gga outfit clashing
Ignorant denim no wonder I got mad kicks
This pair of sixes is paranormal that rare shit
I'm Air Jordan you Ron Harper just fitting in
Bullshitting that n*gga did his shit for the Clippers
I'm just thinking from reefer keep on talking from
liquor
I'm the talk of the town
Every town that I been in
I don't handle these bitches till I handle my business
Scramble like Randall if John Rambo was tryna get him
Deion Sanders you bullshitting I'm pick sixing
When you making a difference it's gone be haters
When you provoking change it's gone be nay sayers
People don't condone what they've never seen
And some of the stuff I tried to do they had never seen
