### "The Ambitious Girl"

Ambitious girl, the drive-drive me crazy  
I'm tryna stay with you, lay with you  
I'll pay you tuition, pray with you if you ain't intuition  
I'm tryna fuck the shit out your aspirations  
See, the last one I dated, I hated  
We wake up, I go to work, she leave out  
Come back with some make up, high heels, and a  
purse, or  
Worse I ask, "Babygirl, what you aspire to be?"  
She reply to me like, "why you perspiring me?" bitch..  
Pardon me if I'm sweating you but,  
I wanna see something else in you before I invest in  
you  
Ambitious girl, (what you sitting for)  
I'd rather you tell me to hit you later,  
Because you gotta finish a paper  
Then to be in my face asking for a rosea cup  
See these bitches can't cut in yo business  
I'm in love with your business  
And your productivity is the reason I interest, ambitious  
girl  
See, I like the person that you are,  
But I'm in love with the person that you have potential  
to be  
And all your dreams sharing with me  
And your secrets baring with me  
And the flaws, you ain't even got to mention to me,  
Ambitious girl, you just wanna win, and you'd rather  
chase your dreams,  
Then to try to chase these men  
That try to chase these skirts  
That try to chase these shots with flavors that not even  
as sweet as her  
My ambitious girl, I wont forget you,  
I just reflect on how I ain't met you, yet boo  
You somewhere, getting your life in order  
So for the time being, I hope this (overscribe) might  
support her  
Support her, or work her, she worth it  
Go girl [X3], ambition

Go girl [X7], ambition  
Go girl [X7], ambition  
Ambition [X7]
