[Seinfeld Skit]

[Talking:]

Versatility for everything. Shoutout to all the uh, intuitions, secrets, ya know?

[Verse 1:]

Uh, good love... and I can do that for her.  
I can do it to a nigga, make a pull on her.  
It's temporary lust, you need an in-showing.  
Now for this time being, let's be in love with the moment.  
Okay you dancin', drinkin' on your last one.  
I'm just tryna poke her face, that's why I got my hand in.  
Grown man shit, tonight, no romance shit.  
And you should make this bedroom like a Monday night at Magic.  
Like a Gigi McGuire, now let me up inside.  
I give you that massage; good hygiene is required. I don't want no dirty junk.  
I just want a girly-girl that own a rack of Jordans but don't sport 'em 'cause she love her pumps.  
Give my love to no one else. kiss that cookie 'til it melt.  
I am going underwater... Michael Phelps!  
Do it 'til I'm tired or your homegirl can provide the help or you can be Ms. Independent-  
Make that movie by yourself!

[Hook:]

Okay, my game tight. My game right.  
Don't even know her name until I know her taste right.  
I said my game tight and my game tight.  
Don't even know her name until I know her taste, right?

[Verse 2:]

Okay, I think this time we make moves. No clothes required here.  
Shawty, can I taste you after that Moscato hit?  
We both grown and I don't care. Not so fast, don't tie yo' hair.

She say, "my love is outta here." She out of all her  
outerwear.  
And I am real and I am raw.  
But don't go in raw 'cause I'm prepared.  
See that's a hazard if y'all ain't know.  
I got them gold wrappers like 500 sold.  
Got that deep love, purify that woman so.  
Get it so good, I make that mothafucka somersault.  
Tell me anything you want, I'm a keep that on the low.  
I just wanna please you so tell me where I need to go.

[Hook:]

Okay, my game tight. My game right.  
Don't even know her name until I know her taste right.  
I said my game tight and my game tight.  
Don't even know her name until I know her taste, right?
