[Intro: 2Pac]

When I was young I read a lot, I wrote poetry...
I would have been a totally different person
Had I not been exposed to these things
I'm not saying I'm going to change the world
But I guarantee I will spark the brain that will change
the world...

[Verse: Wale]

Sometimes a simple cadence can get in the way of
greatness of a nigga statements
I feel I know a little bit of everything but I've grown
unfamiliar with limitations
See I'm just a narrator that's see the world as a nigga
who never made it
I forever debate a nigga who stand in the way of my
standing ovation
Nigga I'd be lying to tell you my mind isn't exhausted
But to recline is to say God's blessing isn't as awesome
as I flaunted
See I got more haters and nay sayers than eight Lakers
in Boston
So I happen to Phil Jacksons along the way with this
talking
See I give my heart to an unforgiven genre where
passion is frowned upon
With a muzzle around em all a league full of dry
rhymers I proceed to... cannonball
Loose cannon starts us off and crucified for the
passionate ways...
I'm only but a man but man enough to challenge all
And I love you all
And I pray you just don't think I'm smart and see my
vision and know my heart
This is 11.1.11... 11.1.11...
11.1.11 is when it all makes sense
When my critics break down and make amends with my
supporters
Who been supporting me since day one can tell you
niggas who fronted
Wale polish and guess what Wale got it...
I am just an artist

I am just a man
May not change the world
But let me inspire someone who can
Who can [x4]
