[Hook]

We gonn hustle till the sun up, lord knows
Im grinding all day and this is all I know
Im about that life, Im about that
You aint bout that, look
Under pressure know a nigga wont fold
Im grinding all day and this is all I know
Im about that life, Im about that
Im about that, Im about that life

See Im better than I ever been, so lets be clear
I see these square niggas aint killin shit
They tell it, but I see no joy in a drug...
Where most niggas get slain,
Or most niggas get snitched on
By the same niggas they cam with
At the same time I think of trevon
I done take 2 hits and pass it, blow it all then pray hard
Where there is no middle classes, either rich or you
poor
We never had no upper hand, thats why us niggas we
on
Look, you aint holding down your kids then you aint shit
nigga
Pardon me, you a bitch nigga!
Then she stealing all the dollars from your seat
By all means call her what you please, talk to me

Just a product of the kitchen, sliding in that 60
2 but I aint threw up on that ramp of my position
Try and keep my focus, just try and see my vision

Lucas move a ... keep them tunas out that kitchen
Look, see pastor on a Sunday
See bad word to gunplay
See right from the district
Where niggas seen crack since a young age
And I aint no dealer, Im a fucking gorilla
Keep my liquor cold please Im rolling up the ogilla
Quarter brick, half a brick,
You can sell it call, cant catch me on that rabid shit
Every truck I get, they get my habitat
Been smoking weed before you ride bitch
I take laxatives, Im shitting on all hoes
