[Wale intro]

Sometimes two people dump their feelings out
And get caught, in the moment
Before you know it,
makin decisions that two people can't even agree with
later on
this is fool for thought

[Wale]

yeah, as I walk up to the alter,
I'm haunted by the thoughts of being husband, or a
father
Prisoner of the moment, for the moment I was caught
up
But I never ever thought that you would take me on this
offer,
Now I'm stern,
At this love thing toe to toe
Wanted to jump the gun but ain't know it was loaded
though,
So, suicide I perceive, before I slide on that ring,
I think of Nas and Kelis,
Backing out guarantee she'll hate me,
But I'm more scared of weddings than a funeral lately,
See, It's something about commitment though,
Cruising on relationship, but need a different boat
Different boat, different strokes, rest in peace Gary
Cole,
If I take an oath that mean I give up on my area code
hoes
I really love my Miami crew,
I just wanna keep it real,
I don't wanna damage you,
And for this moment no I won't ditch you
But if we out of here, to you my feelings may differ,
Yessir, misses, anywhere that we can go,
But marriage is a lifetime, honeymoon's a week or so,
Maybe we just need to slow,
Down just so we can grow,
If this is the right time,
Then later we can elope,

Use patience as my best approach
But when she said this I'd be out of mind to say no
