[Verse 1:]

Yea,
When I'm gone the whole city missed me
I'm on my UK sh*t
Get me
The eye of the Bengal shuffling my 8 gig
Y'all boomer, You need you an MD
Like eastsire sin
Dominating of the eastside shall commence
And I shall commence that I'm the truth yo
They try to block me like Moonyos
I know my car is worth like phone card
I get brain everyday, I'm a know it all
More birds then know it all cool yar
Keep talking my know it knows none of y'all
Hit the green like running backs with no yards
No Hoe, I'm playing with the floor
Overly Ingracious
They call me say word
N*ggas say word
Just so happens my n*gga for
Yours is the for
We ahead of the curve
And they all looking like the girls on virgin
Cut beats, I'm a f*cking wordsurgeon
Scalp and sponge
This work
Dance

[Chorus:]

Under the spotlights
Neither black nor white
It doesn't matter
Do the dance (do the dance)

As strong as you might
Working day and night
What ever happens
Do the dance (do the dance)

[Verse 2:]

On my way back home
Now I'm in the zone
My simcards a bomb
They blowing up my phone
Kicks Hong Kong
Bape in a garment
The face of hip-hop
My DC audience
And you n*ggas will acknowledge this
Born again social life thanks climate
My climate is way higher then Lindsay Lohan nostrils on
powder
Sorry mark I don't want offend your sisters good friend
But when my pen get in
It pretends it's a soul in a intatee
And it interferes and gets the best of me
So I'm one with that
I'm stuck with that
Y'all little ass n*ggas can't f*ck with that
N*gga, It's a sign for a truck to rap
Little light in the ass
But I must rap
And I must admit
I bring creatine to the scene
Your developmental league don't see a team
I got a stich lil n*gga
You can see my seam
Split Salvage my n*gga in summer jeans
Kick you my denim bar
Kicks made you look Nas
Riding in the black joint listening to Gnarls Barkley's
On DS y'all, DS flow like nothing y'all heard
Broke ass n*ggas all see before
Low cash n*ggas, broke ass n*ggas
I don't f*ck with y'all hoe ass n*ggas
I be rammy sippin ammo as sippin
I'm a 35 double o ass n*ggas
Rattin out n*ggas, KY n*ggas, Trinidad N*ggas
I got y'all n*ggas
DC Pimpin, Uptown Roamin
Moco 1 2 4 when I go out
PG all more where my n*ggas ball at
Say what you want
Logo with my homie
Do this sh*t for harlem
Smoking on a marley
Rolled in a marlin
Fresh above the water
Say I'm not hot
Then your proolly on water
They proolly on water, they proolly on water

Prolly on water, They all on water
Acquire more bras then Zachary morris
Y'all lost crete to me
You released the beef and I play your little n*ggas like
least to sh*t
Y'all ass n*ggas don't worry me to the least to bit
And a finger in the middle that I leave em with
I can't heal little niggers and he be's a b*tch
What's the least, I don't know English
F*ck it, I'm done
Let me breathe hard like it was hard
Huh Huh
Huh Huh
Huh Huh
Huh Huh
Gone

[Chorus:]
Under the spotlights
Neither black nor white
It doesn't matter
Do the dance (do the dance)

As strong as you might
Working day and night
Whatever happens
Do the dance (do the dance)
