fly nigga couldn't tell me nothing different homes
and i be good til the fat woman sing a note
i'm tryna find life's meaning up in this patron
i'm taking women to heaven and then i take em home
i'm waking up with something 20-something fly shit
wanna stunt shit, all that new designer shit
word.. she said she love me but she lying
shit i'm lying too!
told that bitch i love her for her mind
well that's quite true, bust-a-move, head game
Lovable. Buss that pussy open
turn that sofa into a fuckin pool
i'm playing cody, smoking stogies, make the rhythm
better
i'm looking good in everything, but she look good in
leather
call me cocky i love it
they be far from a sucker
i'm longer than em: i ain't talking no rockin republic
i don't shop in the public
ain't finna wait in line
this not a free throw, it's easier from the lay-up line
[neyo]
i got time, you got time too
you with the boss, baby, so when i move you move
let's have some drinks: malibu and how i do
and after that we do whatever we want to..
girl i'm in charge: that means i'm coolin
i have my own agenda: that means i'm coolin
baby im large, that means im cooling
Dealing with the a winner, girl that means im coolin
[wale]
pimp-stroll on em, you being cold on em
couldn't fuck with it with a million m-4's on em
bitches tend to love a nigga with the most money
i tell em "honey, i know cher, i'm so sunny"
and this is all pro-bono
all-star weekend floor seats by the coaches
flying all frequent, reclining on beaches
half a millie on the rolls " got my mind on ?
i ain't worried, but i'm tryna find a keeper
if she cook and keep her vagina like a secret

and we fuck, i beast up and throw a little peace up
so peace out, i'mma get up with you in like 3 months
word. Absence will make the heart grow
with that said, i ain't around like my old combs
and i be drinking all the brown straight, no coke
chasing money, not the liquor, y'all ain't even close
So lets have a toast, everything fine
This ain't a free throw this easy at the lay up line

[neyo]

i got time, you got time too
you with the boss, baby, so when i move you move
let's have some drinks: malibu and how i do
and after that we do whatever we want to..
girl i'm in charge: that means i'm coolin
i have my own agenda: that means i'm coolin
baby im large, that means im cooling
Dealing with the a winner, girl that means im coolin
