One woman down my street is too hot for the average
man
Hard to handle, a fire in her eyes, wants the hot rocks
right in her hand
I know she's burning hot with love, a come on look and
she ain't fooling
And she knows just what it does
She gave me a number to make me fell fine
She said call me up baby it's gonna be

9.5.- N.A.S.T.Y.

You're everything I need
Cause I want what you're giving
I'm yours to do with what you please
N.A.S.T.Y.

You're everything I need
Cause I want what you're giving
I'm yours to do with what you please

Ooh- no momma's baby, this child, she's a killer
wrapped in high heel shoes
Touch the skin, it burns like fire, I don't even care if I'm
being used
Threw me down and then she tore off my jeans
She said come on baby I mean business
I'm gonna show you what liberated means
Do it to me baby, I'm losing my mind
She said call me up honey, tonight I'm

Some bad habits are hard to break
Like an earthquake coming, I gotta shake shake shake
