Well i have a treat for u all, the lyric's to "Animal (Fuck like a beast)

By WASP..... Here Goes.....

I got pictures of naked ladies

Lying on their beds

I whiff that smell and sweet convulsion

Starts a-Swelling inside my head

I'm making artificial lovers for free

I start to howl I'm in heat

I moan and growl and the hunt drives me crazy

I fuck like a Beast

Chorus:

I come round, round i come feel your love

Tie you down, down i come steal your love

I come round, round i come feel your love

Tie you down, down i come steal your love

I'm on the prowl and i watch you closely

I lie waiting for you

I'm the wolf with the sheepskins clothing

I lick my chops and your tasting good

I do whatever i want to, to ya

I'll nail your ass to the sheets

A pelvic thrust and the sweat starts to sting ya

I fuck like a beast

Repeat Chorus

Come ride, savage seduction

Ride, ride, ride

Repeat Chorus
