A scream unlocks the cage  
The roar's rock the stage  
Hunger of animals are calling  
Thrive upon the rage  
Paw prints on the page  
The roam's going wild, walls are falling  
Lights shine illumination bright  
Reveal all the madness here tonight

Welcome, I bid you welcome, to life  
Inside the electric circus  
Hang on, hang on for your life  
The animals are all insane - God help us

Electricity to burn  
Amplifiers churn  
Three ring madhouse calls the action  
It's life upon the road  
Insane asylum grows  
Night after night, the main attraction  
A strange world that you might wanna know  
When it comes alive - crank up the show

Welcome, I bid you welcome, to life  
Inside the electric circus  
Hang on, hang on for your life  
The animals are all insane - God help us

Welcome, I bid you welcome, to life  
Inside the electric circus  
Hang on, hang on for your life  
The animals are all insane - God help us

Welcome, I bid you welcome, to life  
Inside the electric circus  
Hang on, hang on for your life  
The animals are all insane - God help us
