Listen to my heartbeat when it's calling
I just wanna hold you in my arms
Listen to my heartbeat when it's calling out for you

You're playing with my mind. (Boom boom boom)
It's tearing me apart. (Boom boom boom)
All I wish we'll never part. Never be apart again
No never, no never

Boom boom boom boom boom, my heart, my heart
Boom boom boom boom boom
Boom boom boom boom boom

Listen to my heartbeat when it's calling...

You keep on fooling around (Boom boom boom)
Your love is hard to find. (Boom boom boom)
All I wish we could be together
Always be together forever and ever, and ever
