Oh yeah, here I go again
Trading my soul to the night
But it's alright, I got no pain tonight
My demon alcohol's alive

Tonight
No I can't die tonight
Oh, maybe, I'll live forever
I just can't die tonight

Oh, tonight
No I can't die tonight
Oh, maybe, I'll live forever
I just can't die tonight

Oh no, I can't stand
Trading nine lives for tonight
But it don't matter much
'Cause I don't give a fuck
Hell on wheels I wanna ride

Tonight
No I can't die tonight
Maybe, I'll live forever
I just can't die tonight

Oh, tonight
No, I can't die tonight
So high I'll live forever
No, I can't die tonight

Oh, whiskey bar superman
I don't give a damn, oh, it's alright
I'm too numb to stand
I don't give a damn
Oh, too high to die

Tonight
No I can't die tonight
Maybe, I'll live forever
I just can't die tonight

Oh, tonight
No, I can't die tonight
So high I'll live forever
No, I can't die tonight

Can't die tonight
No, no not tonight
Can't die tonight
